New Brunswick, New Jersey is a vibrant city of 50,000 residents, a number that triples during the business day with college students, corporate and business employees, hospital and health care workers and visitors. It is a community with richly diverse neighborhoods, a bustling downtown, and an innovative and popular cultural arts center. Within a few city blocks converge Johnson & Johnson’s world headquarters, Rutgers-The State University of New Jersey, Robert Wood Johnson Medical School, two premiere academic hospitals, three professional theaters, several four-star restaurants, and two four-star hotels.

New Brunswick is an easy destination to reach. The train station, located two blocks from the medical school and hospital, provides access to Amtrak and NJ Transit. A quick 40 minute train ride puts you at the heart of New York City, Penn Station.
